INVITATION FOR GIFTED YOUNG MUSICIANS

The Tuesday Musicales of Detroit is excited to announce auditions for Student League! This program for gifted young musicians has long been an extremely important facet of this organization. Over the years many talented students have benefited from its terrific opportunities and have gone on to highly successful musical careers.

We're looking for gifted young people with a serious interest and strong background in music who would like to be a part of this program. We will be accepting singers ages 14-19 and instrumentalists ages 12-18.

- There are **monthly meetings** at which the students will perform for and with one another, and participate in seminars on a range of topics relevant to today's aspiring young musicians.
- In keeping with Student League's long-standing tradition, excellent competition and award opportunities will also be available to members of the group.
- In addition, we plan to hold master classes and offer group discounts to professional performances around town.
- The monthly meetings will be held on Sunday evenings in rotating locations in the Detroit metropolitan area.
- The annual membership fee is only \$35!

Please fill out the attached application form. Feel free to make copies of it and distribute it to others you think might be qualified and interested.
